### **Disclosures**

Scott Smith Financial, Inc. ("SSF") is an investment adviser registered with the U.S. Securities and Exchange Commission. Registration does not imply a certain level of skill or training.

The content provided on SSF social media sites is for informational purposes only and does not constitute a complete description of SSF's investment advisory services. Communications by SSF through its social media sites are for educational and informational purposes and should not be considered a solicitation to buy or sell securities. This material is not intended as investment advice and is not meant to suggest that any securities are suitable investments for any particular investor. Investment advice is only provided to SSF clients that enter into an investment advisory relationship with SSF.

Communications posted by unaffiliated third-parties or shared by SSF via social media are not intended to be testimonials or endorsements of SSF. SSF may monitor third-party content published on SSF social media sites, but such content is not reviewed before it is displayed. Third-party content on any SSF social media site is the view and responsibility of the third-party, not SSF. SSF cannot guarantee and expressly disclaims any responsibility for the appropriateness, accuracy, quality, or usefulness of any content, product, or service provided by any third-party or any third-party hyperlink.

Any performance displayed represents past performance, which is no guarantee of future results. Investment returns and principal value will fluctuate so that when shares are redeemed, they may be worth more or less than original cost. Current performance may be lower or higher than the performance data quoted. SSF does not guarantee the accuracy or completeness of the information contained on its social media sites which has been obtained from or is based upon trade and statistical services or other third party sources. All opinions and estimates are given as of the date hereof and are subject to change without notice. Accordingly, the information contained on SSF social media sites is not intended to predict actual results and no assurances are given with respect thereto.
